

Joe White Again in Business.

J. A. White is closing out the stock remnants of the Pecos Valley Headquarters ranch to the Boyce Brothers, who purchased the ranch and stock last year with range cattle delivery. The will amount to 500 head of cattle and 100 head of horses and mules which will be delivered by Mr. White in the spring. Mr. White has lately purchased from J. H. Hizer a 20 year's lease of a 150 section stock ranch located near Alamo Springs in this county, and is stocking it with 4000 head of New Mexican cattle. The depth to water on the ranch is 1500 feet and Mr. White has just closed a contract here for two wells at this depth for stock watering purposes at a cost of \$7500. per well. —El Paso Herald.

From the above it is apparent that Mr. White intends to build a ranch where the four section people cannot run him out and will no doubt succeed.

"I'm awfully ashamed to go to church with this old hat on. It's so old fashioned!" muttered a wife. "Is cook going to church this evening?" inquired her husband. "No, I think not." "Then why not borrow hers?" said the husband.

An Inevitable Waste.

"I gave you twopenny, and you went immediately into a public house," remarked the benevolent old gentleman. "Don't you know it is very wasteful to spend your money on drink?" "I've often thought of that, sir," replied the weary wayfarer, "but I've never yet found a place where I could get it for nothing." —Pearson's Weekly.

Rash Compliments.

"I'm in a difficulty over my girl." "What's wrong?" "I've been saying such nice things to her that she's getting conceited. If I quit she'll think I don't care for her any longer, and if I go on she'll think she's too good for me." —Puck.

Index to Horse's Character. According to the Royal College of Veterinary Surgeons, England, the horse's face is a good index to his character. If there is a general curve to the profile and at the same time the ears are pointed and sensitive, it is safe to describe the animal as gentle and at the same time high spirited. If, on the other hand, the horse has a dent in the middle of his nose he is likely to be treacherous and vicious. A horse that droops his ears is apt to be lazy as well as vicious.

Interesting Easter Items.

Among the Gregorian Armenians the periodical "blessing of the house" takes place at Easter. This consists of the repetition of a prayer by the priest, accompanied by the burning of incense and the sprinkling with holy water in the "sala," or central room of the house.

On Easter eve in the Albanian highlands the young men assemble with lighted torches, which they wave about as they walk in procession through the village. Arriving at the nearest stream, they throw them in, crying, "Kore ya" (O maiden), "we throw thee into the water with these torches; so mayest thou never return," referring evidently to the malevolent spirits. When the priest comes to bless the house on Easter day the women throw hot embers after him as he leaves in order that he may take away all danger from fire.

Eminent Authorities Say

that out-door exercise is needed by the American people. That's all very well, but how can people with rheumatism follow that advice? The answer is very simple: use Ballard's Snow Liniment and the rheumatism will go, leaving you as spry as a colt. Gives quick and permanent relief from rheumatism, neuralgia, lame back, and all pains. Sold by Eddy Drug Co.

CHEAPER LUMBER

Owing to the recently reduced freight rates and a slight fall in the price of lumber we are able to announce a reduction in the price of lumber of from \$2.00 to \$1.50 a thousand. The grade is just as good as ever, the price is less. We are now able to compete with yards on the T. & P. and ask the opportunity to figure with those from the Monument locality who have been hauling from these points.
